7. [Using the Meeting Details Page for a Panel or Meeting](#)

Register for a New NSF Account

To submit proposals to NSF and conduct other award-related activities using NSF systems, you must have an NSF ID. Proposers submitting NSF proposals via Grants.gov must also have an NSF ID. You may only have one NSF ID. This ID is a unique alphanumeric identifier assigned to users by NSF through the registration process outlined below. The NSF ID is yours for you to use no matter your organizational affiliation(s) in the future. Follow the step-by-step process to create a new NSF account to be assigned an NSF ID. A [Register for a New NSF Account](#) video tutorial is also available.

Step 1: Confirm you do not have an existing NSF account

- If you forgot your password for an established NSF account, follow the below steps to reset it:
 - Open [Research.gov](#) and click **“Sign In”** located at the top of the screen. (Figure 1).
 - Enter your NSF ID, Primary Email Address or LAN ID and click **“Next.”** (Figure 2)
 - Click **“Forgot Password ?”** (Figure 3)
 - Click **“Send me an email”** (Figure 4) to have a verification email sent to the registered email address on your account. An email will be sent to you prompting a password reset. Select the **“Reset Password”** link within the email and follow the instructions to reset your password. Note that your email address can only be associated with one NSF account (i.e., only one NSF ID per person).
- If you do have an existing NSF account and you know your password, you can edit your account profile information by selecting the **“My Profile”** option located on the top right of [Research.gov](#) homepage after signing in and completing authentication. See [View and Edit My NSF Account Profile Information](#) for detailed information on **“My Profile”** functions.
- If you do not have an existing NSF account, proceed to Step 2.

Figure 1

Figure 3

Figure 4

Step 2: Access the Account Registration page

- Open [Research.gov](#)
- Click **“Register”** located at the top of the screen. (Figure 1)

Step 3: Complete the Account Registration page

- Input the requested account registration information. (Figure 5)

Important Note: Ongoing access to your primary email address is required for NSF communications and account recovery, so a personal email address (e.g., a Gmail address) is recommended. If you sign into Research.gov using InCommon or Login.gov credentials, use your InCommon organization email or registered Login.gov email address for your primary email address and provide your personal email address as your secondary email to ensure ongoing access.

Your primary email address must be unique to you and cannot be a group email alias.

Changes to your primary email address can be made on your My Profile page following successful registration.

Figure 5

(Continuation of steps to complete the Account Registration page)

- If your primary email address domain suffix is “edu”, an important message and checkbox will display. Check the box to confirm ongoing access to an email account is required for communications and account recovery. By providing a “.edu” email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access.
- Check the box to confirm that you are at least 13 years of age. (Figure 6)
- Click **“Save & Preview.”** (Figure 6)
- Verify that your account registration information is correct on the Preview Account Registration screen. (Figure 7)
- If you need to update your account registration information, select the **“Edit”** button to return to the previous screen.
- Check the box to confirm you are not a robot and click **“Submit.”** (Figure 7)
- You will receive an Account Registration Confirmation on the screen. (Figure 8)
- Check the primary email account that you just used for two messages: one containing your new NSF ID and another containing your temporary password.

Figure 6

Figure 7

Step 4: Set up your password for your new NSF Account

- Click **“Return to Sign In”** (Figure 9) or select **“Sign In”** on the top of [Research.gov](https://research.gov). (Figure 1)
- Enter your NSF ID, Primary Email Address or LAN ID and click **“Next”**. (Figure 9)
- Enter your temporary password and click **“Verify.”** (Figure 10)
- Set a new password for your account and click **“Change Password.”** (Figure 11)
- Check the primary email account that you used for an email confirming that your password has been changed.

Figure 8

Figure 9

Figure 10

Figure 11

Step 5: Set up your preferred security method to access your account

- Once you complete resetting your password, you will be prompted to set up your security method (i.e., multifactor authentication method) for accessing your account. Follow the corresponding prompts to set up your preferred security method. *For more information on setting up your preferred security method including how-to guides, video tutorials and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you have completed setting up your preferred security method, you will be redirected to the Research.gov homepage. (Figure 12)
- You have successfully registered for a new NSF account!

Step 6: Add a new organization role

- Now that you have an NSF account, you can add organizational roles to your account profile. For detailed instructions, see [Add a New Organizational Role](#).

Important Note: Reviewers, GRFP Applicants, GRFP Fellows, and fellowship reference letter writers will not add an organizational role. GRFP-specific Account Management training resources including guides and FAQs are available on the [GRFP Account Management page](#).

Figure 12

Working at Multiple Organizations or Moving to Another Organization

It is NSF policy that only one NSF account is allowed per user. If you already have an NSF account, you **MUST NOT** register for a new NSF account even if you are working at multiple organizations, moving to another organization, or working as a Postdoctoral Fellow. Instead, you can add roles to your existing NSF account.

You do NOT need a separate NSF account for each organization you are affiliated with or a new NSF account when moving to a new organization or working as a Postdoctoral Fellow.

- You can have multiple organizations associated with your NSF account, and you can add new roles from different organizations to your existing NSF account.
 - To add an organization-approved role from a new organization or to add the Proposed Postdoctoral Fellow role, see [Add a New Organizational Role](#).
- If you are associated with multiple organizations, be sure to update your designated Primary Organization on the “View My Roles” page. For more information on changing your Primary Organization, see [View My Organizational Roles – Active Role\(s\)](#).
- If you are leaving an organization, make sure the primary or secondary email address on your NSF account profile is set to an email address you will continue to have access to after your departure (e.g., a Gmail address). For more information on editing your NSF account profile, see [View and Edit My NSF Account Profile Information](#).

Adding a PI role at a new organization to your existing NSF account

- Click **“Sign In”** located at the top right of [Research.gov](#) page.
- Click **“Sign In Using NSF Credentials”**, enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Click **“My Profile”** located at the top right of the screen.
- Click **“Add a New Role”** from the left navigation bar and the **“Add a New Role”** page will display. (Figure 1)
- To request the Investigator role, click the blue **“Add Investigator or Authorized User Role”** button located in the “Prepare Proposals and Manage Awards” box. (Figure 1)
- Select **“Principal Investigator (PI) or co-Principal Investigator (co-PI)”**, click **“Submit”** (Figure 2) and a four-step role request wizard will display. (Figure 3)

Add a New Role

For NSF ID

You must obtain the appropriate role to access certain features. Review the role options below and make a selection. An organization can also be added by selecting 'Add Organizational Role.'

Prepare Proposals and Manage Awards Principal Investigator (PI), co-Principal Investigator (co-PI), Proposed Postdoctoral Fellow, Other Authorized User (OAU) Add Investigator or Authorized User Role PI/co-PI, Postdoctoral Fellow and OAU role details	Add and Manage Organizations Administrator (Admin), Authorized Organizational Representative (AOR), Sponsored Projects Officer (SPO), View Only User Add Organizational Role Organizational role details
Manage Financials in Award Cash Management Service (ACM\$) Awardee Preparer, Awardee Certifier, Awardee Financial Representative Add Financial Role Financial role details	Register as a Graduate Research Fellowship Program (GRFP) Official Coordinating Official (CO), Alternate Coordinating Official (Alt. CO), Financial Official (FO) Add GRFP Official Role GRFP role details

☐ Proposed Postdoctoral Fellow

Submit Cancel

Figure 2

Step 1: Find Organization

- Enter the organization's System for Award Management (SAM) issued Unique Entity Identifier (UEI) and click **"Search"** (Figure 3). If you already have an organization-approved role at NSF, you can select the SAM UEI associated with your existing organization from the drop-down menu.
- Verify the correct organization is displayed and click **"Next."** (Figure 3)

Figure 3

Step 2: Add Information

- Complete the required fields denoted by a red asterisk (*) and click **"Next."** (Figure 4)

Figure 4

Step 3: Choose Role(s)

- The "Principal Investigator" role is pre-selected. Click **"Next."** (Figure 5)

Step 4: Review and Submit

- Review your information for accuracy and click **"Submit."** (Figure 6)

Figure 5

Figure 6

Note: For more information about SAM UEIs, please visit [SAM.gov](https://sam.gov) or contact your Sponsored Projects Office (SPO).

Success!

- Your role request is sent to the listed organizational contacts for review and approval. (Figure 7)
- You have successfully submitted a role request!

Important Note: Any demographic information provided will not be shared with the listed organizational contacts when they review and approve your role request.

Add a New Role to Prepare Proposals and Manage Awards

Success - your request has been forwarded to the organization contact(s) below. Check the status of this request on the [View My Roles](#) page.

Organization Contact(s)	Organization Contact Type
Doc, John	Administrator
Carey, Mariah	SAM POC
Jolie, Angelina	SAM POC
Doe, Jane	SAM POC

[Continue to My Profile >](#)
[Add Additional Roles >](#)

Figure 7

Helpful Tips

- For your primary email address, ongoing access to an email account is required for communications and account recovery. By providing a “.edu” email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access. If you no longer have access to your primary email address, your secondary email address can be used to reset your password.
- Your work email address is associated with all your roles at a particular organization. It is used for role requests and approval notifications as well as for proposal and award related notifications.
- The Degree Information section will be pre-populated if you previously provided this information. If you update this section, the change will be reflected within the “Academic/Professional Information” tab in My Profile and on the “Edit Your Contact Information” page on “View My Roles” for all organizations where you have an organization-approved PI role.
- The Demographic Information section will be pre-populated if you have already provided this information. If you update this section, the demographic information changes will be reflected for all organizations where you have an organization-approved PI role and within the “Demographic Information” tab in My Profile.
- By default, the latest PI role will be set to primary.

Navigating the Account Management Links

The Account Management System includes screens for Administrators to manage user and organization information and screens for users to self-manage their organizational roles and profile information. Access these screens and the functionality by signing into Research.gov and clicking on the “My Profile” link in the top right.

Access the left navigation bar in Account Management

- Open Research.gov
- Click “Sign In” located at the top right of the screen. (Figure 1)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](https://Research.gov) page.*
- Once you’ve successfully signed in using your preferred security method, click on “My Profile” located at the top right of the screen. (Figure 3)

Figure 1

Figure 2

Figure 3

Important Note: NSF enabled Login.gov to sign into Research.gov in 2022. Use of Login.gov to sign into Research.gov is optional, and the research community is still able to use their NSF account or their organization-issued credentials through the InCommon integration to sign into Research.gov. Users can use any of the three options to sign into Research.gov and will be navigated to the Research.gov homepage after successful sign-in. This guide provides instructions for only the “NSF Account” sign in option.

Where do the left navigation bar links take me?

Account Management Link	Functionality
My Profile / View/Edit My Profile	View and edit your profile, demographic, and academic information
Change Password or Security Methods	Change your Research.gov NSF account password or preferred security method
View My Roles	View pending and active roles, and edit organizational contact information
Add a New Role	Request a new role from an organization such as a Principal Investigator role
View My Users	<i>You will only see this link if you have an organization-approved Administrator role for an organization registered with NSF.</i> Approve and disapprove role requests, add and remove user roles, add and remove users from your organization, and invite users to create an NSF account so they can join your organization
About Account Management	Access job aids, instructional videos, and FAQs to guide you through the Account Management functionality

View and Edit My NSF Account Profile Information

Once you have an NSF account, you can view and edit your account profile information at any time via the View/Edit My Profile page. Follow the step-by-step instructions below to update your account information including contact information, demographic information, and professional information. Demographic information is only displayed for Principal Investigators (PIs), GRFP Fellows, and reviewers.

On an annual basis, all users with an NSF account will be prompted to review their account profile information to ensure their information is up-to-date.

Step 1: Access the View/Edit My Profile page

- Open [Research.gov](https://research.gov)
- Click “**Sign In**” located at the top right of the screen. (Figure 1)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you’ve successfully signed in using your preferred security method, click “**My Profile**” from the top right of the screen. (Figure 3)

Important Note: You can also access the View/Edit My Profile page by clicking on “View/Edit Profile” located on the left navigation bar. (Figure 4)

Figure 1

Figure 2

Figure 3

Figure 4

Step 2: Edit your Contact Information

- Click “Edit” at the bottom of the **Contact Information** tab on the **My Profile** page. (Figure 5)
- Enter your updated contact information and click “Save.” (Figure 6)

Important Notes:

- If you change your primary email address (i.e., the email address used to create your NSF account) and/or secondary email address, NSF will send you a verification email. You must verify the updated email address within four (4) hours, or your account email address will revert back to your last verified email address.**
- If your primary email address domain suffix is “edu”, an important message and checkbox will display. Check the box to confirm ongoing access to an email account is required for communications and account recovery. By providing a “.edu” email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access.** (Figure 6)

Figure 6

Helpful Tip

To ensure compliance with NSF’s policy of allowing only one NSF account per user, you will not be able to save any email addresses to your account profile that are associated with another NSF account.

Step 3: Edit your Demographic Information (PI/co-PIs, GRFP Fellows and reviewers only)

- Click “Edit” at the bottom of the **Demographic Information** tab on the **My Profile** page. (Figure 7)
- Enter your demographic information and click “Save.” (Figure 8)

Important Notes:

- Submission of the requested demographic information is required for PI/co-PIs, GRFP Fellows, and reviewers. Until responses to all demographic questions are provided, the “Save” button will be disabled.** (Figure 8)
- The “Other” option for the race question will open an optional free text field for entry.** (Figure 8)
- Users who are not PI/co-PIs, GRFP Fellows, or reviewers will not have the Demographic Information tab within “My Profile.”** (Figure 9)

When updating my primary and/or secondary email, what do I do if I accidentally delete the verification email sent by NSF?

- Select the “**View/Edit My Profile**” option. (Refer to Step 1 in the [View and Edit My NSF Account Profile Information](#) job aid)
- Within the **Email Verification Message** (Figure 13) located at the top of the **Contact Information** tab on the **My Profile** page, click “**Resend verification link(s)**” (Figure 14).
- A new verification email will be sent to your pending primary and/or secondary email address (i.e., the updated email address entered in Step 2 in the [View and Edit My NSF Account Profile Information](#) job aid).

Figure 13

⚠ One or more of your email addresses has not been verified. Please check your email(s) for a verification link. Any recently changed email address not verified within **four (4) hours** will revert to the previously saved email address. **Resend verification link(s)**

Figure 14

Important Notes:

- **NSF will send you a verification email. You must verify the updated email address within four (4) hours, or your account email address will revert back to your last verified email address.**
- **If the four (4) hours have passed, the resend verification email option will not be available and you will need to restart the process by updating your email address again. (Refer to Step 2 in the [View and Edit My NSF Account Profile Information](#) job aid)**

How do I change my password?

- Select the “**View/Edit My Profile**” option. (Refer to Step 1 in the [View and Edit My NSF Account Profile Information](#) job aid)
- Click “**Change Password or Security Methods**” located in the left navigation bar. (Figure 13)
- A new tab will open allowing you to change your password or security method. *For more information on changing your password, visit the [About Signing Into Research.gov](#) page.*

Register a New Organization

Organizations must be registered with NSF to submit proposals in Research.gov or via Grants.gov. Before a new prime awardee organization can register with NSF, it must first be registered in the System for Award Management (SAM) at [SAM.gov](https://sam.gov), complete the required entity validation, and have a Unique Entity Identifier (UEI). Note that completion of the SAM registration process may take up to one month. Subrecipient organizations must also register with NSF after obtaining a SAM-issued UEI. However, subrecipient organizations do not need to complete the entity validation in SAM. Please check [SAM.gov](https://sam.gov) for information about any delays of SAM.gov registrations, validations and UEI issuance.

Follow the step-by-step process below to register a new organization with NSF.

How do I register a new prime awardee organization with NSF?

Note: New organizations can only be registered by the organization's SAM Point of Contact (POC). The steps outlined below are for SAM POCs to complete registration.

- Open [Research.gov](https://research.gov)
- Click **"Sign In"** located at the top right of the screen.
- Click **"Sign In Using NSF Credentials"**, enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](https://research.gov) page.*
- Once you've successfully signed in using your preferred security method, click **"My Profile"** located at the top right of the screen.
- Click **"Add New Role"** from the left navigation bar.
- Click any tile located in (Figure 1) to begin the new organization registration process
 - **Note:** If an organization is new to NSF, you must start the process by setting yourself up as the Administrator for the new organization. You must have an NSF account to start this process. The system will automatically detect that the organization is new and will walk you through setting up the organization and Administrator role.
- Enter your organization's Unique Entity Identifier (UEI) and click **"Search."**
 - If your organization is not already registered with NSF, a message will display to confirm that the organization is not found in NSF systems, and you will be able to register the organization and become the first Administrator. (Figure 2)
 - If your organization is already registered with NSF and has a new UEI, please do not register the organization again. Instead, please contact the NSF IT Service Desk at 1-800-381-1532 or rgov@nsf.gov to update the organization's UEI. (Figure 2)
 - If you need help registering in the System for Award Management (SAM), go to [SAM.gov](https://sam.gov).

Figure 1

Figure 2

Helpful Tip

If a new organization is registered with NSF without an Administrator, the first SAM to complete the registration with a verified SAM.gov email credentials will become the organization's first Administrator.

(Continuation of steps to Register a prime awardee organization with NSF)

- Note that completion of the SAM registration process may take up to one month. Please check [SAM.gov](https://sam.gov) for information about any delays of SAM.gov registrations, validations and UEI issuance.
- Enter your contact information for the Administrator role, add your organization's information, and then click **"Next."** (Figure 3)
- Notice the "Administrator" and other inherited roles are pre-selected. Click **"Next."** (Figure 4)
- Review your organization's information for accuracy and click **"Submit."** (Figure 5)
- The confirmation that you have registered your prime awardee organization with NSF will be forwarded via email to all of your organization's SAM points of contact for their information only. The SAM points of contact will not need to approve the request. (Figure 6)

Add a New Role to Add and Manage Organizations

[Only persons with the Authorized Organizational Representative \(AOR\) role can submit proposals to NSF on behalf of their organization. This role must be assigned to one or more persons in your organization before you can finalize a proposal submission. The AOR role is never assigned to any person by default. You can request the AOR role via the \[Add a New Role\]\(#\) page.](#)

Success - You have been assigned the Administrator Role. You can review your role on the [View My Roles](#) page.

Organization Contact(s)	Organization Contact Type
DOE, IANE	SAM POC

[Continue to My Profile](#)

[Add Additional Roles](#)

Figure 6

Helpful Tip

Once an organization is registered with NSF:

- Updates to your organization's SAM legal business name, mailing address, or EIN/TIN must be made by the organization's Administrator in SAM.gov.

How does a subrecipient organization register with NSF?

Any subrecipient named in a proposal is also required to obtain a SAM.gov-issued UEI and register the organization with NSF. Subrecipient(s) named in the proposal, however, do not need to go through the full UEI registration in SAM.gov. Refer to the [Proposal & Award Policies & Procedures Guide](#) (PAPPG) Chapter I.G.2. Details are as follows:

- **Step 1: Subrecipient must obtain a SAM-issued UEI:**
 - A subrecipient without a UEI must go to [SAM.gov](https://sam.gov) and select the green Get Started button on the "Register Your Entity or Get a Unique Entity ID" section in the upper right side of the page. Please note, the information required for obtaining a UEI is minimal (organization's legal business name and address) and will be processed relatively quickly.
- **Step 2: Subrecipient must contact the NSF IT Service Desk to register a subrecipient organization with NSF:**
 - Once the subrecipient obtains the UEI through SAM.gov, the subrecipient must contact the NSF IT Service Desk at 1-800-381-1532 (7:00 AM - 9:00 PM ET; Monday - Friday except federal holidays) to register the organization with NSF. When the subrecipient contacts the NSF IT Service Desk, inform the technician that this is a subrecipient requiring subrecipient organization registration with NSF. Please do not attempt to register the subrecipient organization with NSF in Research.gov because the system will generate an error and will not permit the subrecipient registration. To expediate the process, subrecipients should provide the following information for its subrecipient organization:
 - **Subrecipient UEI:** Required
 - **Subrecipient Organization Name:** Required
 - **Subrecipient Complete Address** (Including City, State, and Zip): Required
 - **Subrecipient Phone Number:** Optional
 - **Subrecipient POC:** Optional
 - **Email of Subrecipient Organization:** Optional
- Once these two steps are complete, the subrecipient organization may be added to a proposal with the subrecipient UEI.

Add a New Organizational Role

Add a New Organizational Role

To work on NSF proposal and award activities in Research.gov or via Grants.gov, a user must have an organization-approved role at an organization registered with NSF. To request a role from your organization, you must sign into [Research.gov](https://www.research.gov) using your preferred security method and select the **“My Profile”** link located on the top right of the screen. Select the **“Add a New Role”** option from the left navigation bar. After requesting a role, your organization’s Administrator will receive the request electronically to approve or disapprove it.

Figure 1

Figure 1 shows the four organizational role categories: Investigator, Organizational, Financial, and GRFP Official. Users should click the appropriate dark blue **Add Role** button (e.g., **Add Investigator or Authorized User Role** to request a PI role) to request the specified role and to proceed with the role wizard. Note that beneath each dark blue **Add Role** button, there is an information link (e.g., [PI/co-PI, Postdoctoral Fellow and OAU role details](#)) which provides additional information about the specific role. The table below outlines the role request options grouped by category.

If you need this organizational role(s)	To perform these functions	Select this “Add Role” Button
- Principal Investigator (PI) - Co-Principal Investigator (co-PI) - Proposed Postdoctoral Fellow	- Prepare proposals - Manage awards	Add Investigator or Authorized User Role
- Administrator - Sponsored Projects Officer (SPO) - Authorized Organizational Representative (AOR) - View Only	- Add a new organization - Approve/disapprove roles - Assign user roles - Add/remove users	Add Organizational Role
- Awardee Preparer - Awardee Certifier - Awardee Financial Representative	Prepare and manage financials in Award Cash Management Service (ACM\$)	Add Financial Role
- Graduate Research Fellowship Program (GRFP) Coordinating Official (CO) - GRFP Alternate Coordinating Official (Alt. CO) - GRFP Financial Official (FO)	Manage GRFP functions	Add GRFP Official Role
Other Authorized User (OAU)	Assist a PI with proposal preparation	Add Investigator or Authorized User Role

Important Notes:

- Reviewers, GRFP Applicants, GRFP Fellows, and fellowship reference letter writers will not add an organizational role. GRFP-specific Account Management training resources including guides and FAQs are available on the [GRFP Account Management page](#). Reviewers should follow the [Provide Reviewer Profile Information](#) job aid for detailed instructions to complete their Reviewer Profile.
- The Foreign Financial Disclosure Report (FFDR) Preparer role can only be assigned by Administrators and cannot be requested by users through the Account Management System. If you believe you should have this role and do not, please reach out to your organization’s Administrator.

Role Request Wizard Steps

The four-step wizard process is the same for all organizational-approved roles. Proposed Postdoctoral Fellows follow a two-step wizard process as outlined in the [Add a New Organizational Role - Proposed Postdoctoral Fellow](#) job aid.

Step 1: Find Organization

- Enter your organization's Unique Entity Identifier (UEI) and click **"Search"** (Figure 2). If you already have an organization-approved role at NSF, you can use the drop-down menu to select the UEI associated with your NSF-registered organization. This step is the same whether your organization is a prime or subrecipient.
- Verify that the correct organization is displayed in the results section and click **"Next."** (Figure 2)

Note: For more information about System for Award Management (SAM) UEIs, go to [SAM.gov](#), or contact your Sponsored Projects Office (SPO).
- If your organization is not registered in SAM, go to [SAM.gov](#). Note that completion of the SAM registration process may take up to one month. Please check [SAM.gov](#) for information about any delays of SAM.gov registrations, validations and UEI issuance.

Figure 2

Step 2: Add Information

- Enter your work phone number. Use the drop-down menu to select a current work email address or add a new work email address. Then click **"Next."** (Figure 3)

Note: If you are requesting a Principal Investigator or Proposed Postdoctoral Fellow role, you will need to enter additional data. Please see the following job aids for detailed instructions: [Add a New Organization-Approved Role – Principal Investigator](#) or [Add a New Organizational Role – Proposed Postdoctoral Fellow](#). If you are requesting another role at an organization where you already have a role, Step 2 of the Role Request Wizard will be pre-populated with your work phone number and email.

Figure 3

Helpful Tips

Each NSF account requires a primary email address and a work email address.

- Your primary email address is used for important notifications about your NSF account such as password resets. Ongoing access to an email account is required for communications and account recovery. By providing a ".edu" email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access.
- Your work email address is associated with all your roles **at a particular organization**. This email address is used for role request and approval notifications as well as for proposal and award related notifications.

Step 3: Choose Organizational Role(s)

- Select a role(s) and click **“Next.”** (Figure 4)

Note: Depending on the selected organizational role, please be aware that some corresponding organizational roles will also be automatically added. For example, if you select the Administrator role, the Sponsored Projects Officer role and the View Only role will automatically be added to your profile.

Figure 4

Step 4: Review and Submit

- Review your information for accuracy and click **“Submit.”** (Figure 5)

Figure 5

Success!

- Your role request(s) are sent to the Administrators in the Organization Contacts list for review and approval. (Figure 6)
- You have successfully submitted your organizational role request(s)!

Figure 6

Helpful Tips

An email will be sent to the work email address you used to request an organizational role to inform you if your role is approved or disapproved by your organization. You should reach out to the Administrator listed as one of the organization contacts located on View My Roles page if you need to follow up on your role request.

Add a New Organization-Approved Role - Principal Investigator PI/Co-PI

To work on NSF proposal and award activities in Research.gov or via Grants.gov, a Principal Investigator (PI)/co-Principal Investigator (co-PI) must have an organization-approved Investigator role. After requesting a role, your organization's Administrator will receive the request electronically to approve or disapprove it. To request an organization-approved role, you must sign into [Research.gov](https://www.research.gov) using your preferred security method and select the **"My Profile"** link located on the top right of the screen. Select the **"Add a New Role"** option from the left navigation bar.

Access the Add New a Role page

- To request an organization-approved Investigator role, click the blue **"Add Investigator or Authorized User Role"** button located in the "Prepare Proposals and Manage Awards" box. (Figure 1)
- Select **"Principal Investigator (PI) or co-Principal Investigator (co-PI)"**, click **"Submit"** (Figure 2) and a four-step role request wizard will display. (Figure 3)

Figure 1

Figure 2

Four-Step Role Wizard

Step 1: Find Organization

- Enter the organization's Unique Entity Identifier (UEI) and click **"Search"** (Figure 3). If you already have an organization-approved role at NSF, select the UEI associated with your existing organization from the drop-down menu. This step is the same whether your organization is a prime or subrecipient.
- Verify that the correct organization is displayed in the results section and click **"Next"**.

Note: For more information about SAM UEIs, go to [SAM.gov](https://sam.gov), or contact your Sponsored Projects Office (SPO).

Figure 3

Step 2: Add Information

- Complete the required fields denoted by a red asterisk (*) and click “Next.” (Figure 4)

Important Note: Your demographic information will not be shared with the listed organizational contacts while reviewing and approving your role request.

Step 3: Choose Role(s)

- The “Principal Investigator” role is pre-selected. Click “Next.” (Figure 5)

Step 4: Review and Submit

- Review your information for accuracy and click “Submit.” (Figure 6)
- If you need to update your PI role request information, select the “Previous” button to return to the previous screens.

Success!

- Your role request is sent to the listed Organization Contacts for review and approval. (Figure 7)
- You have successfully submitted your organizational role request!

Helpful Tips

- Your work email address is associated with all your roles at a particular organization. It is used for role request and approval notifications as well as for proposal and award related notifications.
- The Degree Information section will be pre-populated if you previously provided this information. If you update this section, the change will be reflected within the “Academic/Professional Information” tab in My Profile and for all organizations where you have an organizational Investigator role.
- The Demographic Information section will be pre-populated if you previously provided this information. If you update this section, the change will be reflected within the “Demographic Information” tab in My Profile and for all organizations where you have an organizational Investigator role.
- By default, the latest PI role will be set to primary.

On an annual basis, PIs and co-PIs named on an active NSF award(s) made on or after May 20, 2024, are required to certify in Research.gov whether they are party to a malign foreign talent recruitment program. The certification is required to be completed once a year for the duration of all active awards.

For additional information and resources, please refer to the [Malign Foreign Talent Recruitment Program annual certification section](#) of NSF Office of the Chief of Research Security Strategy and Policy website.

Completing the Malign Foreign Talent Recruitment Program Annual Certification

- Once you have successfully signed in to Research.gov, if you are required to complete the Malign Foreign Talent Recruitment Program annual certification (Figure 8) or both the Malign Foreign Talent Recruitment Program annual certification and annual Profile Review (Figure 9), a pop-up message will display with additional details on how to proceed.
- To continue to the Malign Foreign Talent Recruitment Program annual certification page, click the **Go to Certification Form** button (Figures 8 and 9).
- Select your response to the Malign Foreign Talent Recruitment Program annual certification question and then submit it using the **Submit and Continue** button (Figure 10) when also needing to complete the Annual Profile Review or the **Submit** button (Figure 11). After submitting, a pop-up message will display requiring you to confirm your response. (Figures 12 and 13)

Malign Foreign Talent Recruitment Program Annual Certification

PIs and co-PIs who have active NSF awards are required to complete the Malign Foreign Talent Recruitment Program Annual Certification.

When you select **Go to Certification Form**, you will be prompted to complete a Malign Foreign Talent Recruitment Program Annual Certification form

Figure 14

Add a New Organizational Role – Proposed Postdoctoral Fellow

To work on NSF proposal and award activities in Research.gov or via Grants.gov, you must have an organizational Investigator role. Registering for a Proposed Postdoctoral Fellow organizational role creates an organization in Research.gov but you do not need to register the organization with NSF. You will become the Administrator of the newly created organization; however, other users cannot request organizational roles or affiliate themselves with the organization. You do not need to register the newly created organization with [SAM.gov](https://sam.gov) or obtain a UEI.

To request an organizational Investigator role, you must sign in to [Research.gov](https://research.gov) using your preferred security method and select the **“My Profile”** link located on the top right of the screen. Then select the **“Add a New Role”** option from the left navigation bar.

Access the Add a New Role page

- To request an organizational Investigator role, click the blue **“Add Investigator or Authorized User Role”** button located in the **“Prepare Proposals and Manage Awards.”** (Figure 1)
- Select **“Proposed Postdoctoral Fellow”**, click **“Submit”** (Figure 2) and a two-step role request wizard will display. (Figure 3)

Two-Step Process

Step 1: Add Information

- Input data into all required fields that have a red asterisk (*)

NOTE: When a Proposed Postdoctoral Fellow role is created, an institution record is created as well. The time zone selected as part of your initial Proposed Postdoctoral Fellow role request will be used by NSF for proposal submission. Changing your work address will not change your time zone. To update your time zone, please contact the NSF IT Service Desk at 1-800-381-1532 or rgov@nsf.gov.

Figure 1

Helpful Tips

- The third option in the **“Select Role Type”** modal box (Figure 2) is disabled if you already have an organizational Proposed Postdoctoral Fellow role. To view your current organizational Proposed Postdoctoral Fellow role information, click on **“View My Roles”** and refer to the Active Roles table.
- Your work email address is associated with all your roles at a particular organization. It is used for role request and approval notifications as well as for proposal and award related notifications.
- The Degree Information section will be pre-populated if you previously provided this information. If you update this section, the change will be reflected within the **“Academic/Professional Information”** tab in My Profile and for all organizations where you have an organizational Investigator role.
- The Demographic Information section will be pre-populated if you previously provided this information. If you update this section, the change will be reflected within the **“Demographic Information”** tab in My Profile and for all organizations where you have an organizational Investigator role.
- By default, the latest PI role will be set to primary.

- Users who have roles other than PI, co-PI or Proposed Postdoctoral Fellow roles will see the screen depicted in Figure 4 and can edit their work phone number and work email address. Then click **“Save”**.

Figure 4

Who do I contact at my organization for role request questions?

- Locate the organization and click **“See Org Contact(s)”** in the “Action” column located on the right side of Requested Role table. (Figure 1 on previous page)
- The Organization Contacts modal box will appear. (Figure 5)

Organization Contact(s)	Organization Contact Type
Doe, John P.	Administrator
Doe, Jane	Administrator
Apple, Alice	Administrator
Pear, Priscilla	Administrator
Orange, Oliver	Administrator

Figure 5

Helpful Tips

- Each NSF account requires a primary email address and a work email address. (Figure 2 on previous page and Figure 3)
 - For Primary email, Ongoing access to an email account is required for communications and account recovery. By providing a “.edu” email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access.
 - Your work email address is associated with all your roles **at a particular organization**. This email address is used for role request and approval notifications as well as for proposal and award related notifications.

How do I set an organization as my primary organization for proposal submissions?

- **Prerequisite:** You must have either an organization-approved Principal Investigator (PI) role or a Proposed Postdoctoral Fellow role before you can designate a primary organization.
 - If you don't have an organization-approved Principal Investigator role and would like to request one, refer to the [Add a New Organization-Approved Role - Principal Investigator PI/co-PI](#) job aid.
 - If you don't have a Proposal Postdoctoral Fellow role and would like to request one, refer to the [Add a New Organizational Role – Proposed Postdoctoral Fellow](#) job aid.
- Open the “**View My Roles**” page and locate the Active Role(s) table. (Figure 6)
- Locate the organization where you have an approved PI role that you would like to set as your primary organization. (Figure 6)
- If your roles at the organization are not already expanded, click on the plus sign next to the organization name to expand the row. (Figure 6)
- Locate the Principal Investigator role. (Figure 6)
- Select the “**Primary Organization**” check box located to the right of the Date Added field. (Figure 6)
- Notice the green check mark and “PI Primary Organization” label under the organization name. (Figure 6)
- By default, the organization associated with the latest PI role added to your profile (including a Proposed Postdoctoral Fellow role) will become the primary organization.

Principal Investigator / co-Principal Investigator (PI)	11/29/2021	☒ Primary Organization
Administrator (Admin)	11/29/2021	

Figure 6

Helpful Tips

- You can only have one primary organization.
- Only PIs need to select a primary organization.
- By default, the organization associated with the latest PI role added to your profile (including a Proposed Postdoctoral Fellow role) will become the primary organization.

How does an Authorized Organizational Representative (AOR) update the organization's information maintained in NSF systems such as the organization's email address, award notice email address, and phone number?

- **Prerequisite:** You must have an organization-approved AOR role before you can update your organization's information.
 - If you don't have an organization-approved AOR role and would like to request one, refer to the [Add a New Organizational Role](#) job aid.
- Open the “**View My Roles**” page and locate the Active Role(s) table. (Figure 7)
- Locate the organization where you have an approved AOR role that you would like to update. (Figure 7)
- Select the “**Edit Organization Info**” link in the Action column. (Figure 7)
- The “Edit Organization Information” page will display. (Figure 8)
- Edit your organization's information, as needed, and click “**Save**” once done. (Figure 8)
 - The “Award Notice Email Address” will only display for those Organizations that have been awarded.
- A success message will be displayed and an email will be sent out to all AORs at your organization informing them of the change.

View My Users – Administrator Dashboard

The View My Users page enables Administrators to view an organization’s pending role requests and manage user roles. Via this dashboard, the Administrator can approve or disapprove role requests, add or remove current user roles, and add current NSF users to the organization. Reviewers are not included on the View My Users page dashboard even if they have an organizational affiliation to the organization. Only individuals with organization-approved roles are included on the View My Users page dashboard.

Access the View My Users page

- Open [Research.gov](https://research.gov)
- Click “Sign In” located at the top right of the screen.
- Click “Sign In Using NSF Credentials”, enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method, including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you’ve successfully signed in using your preferred security method, click “My Profile” located at the top right of the screen.
- Click “View My Users” from the left navigation bar.

How do I approve or disapprove a role request from a user?

- All users with pending & approved user roles for your organization will display within the “My Users” table (Figure 1).
- If you have pending user role requests, a warning message will display on the top of the page and these roles will be highlighted at the top of the table in yellow with “Pending approval” text (Figure 1 & 2). If you are an Admin at more than one organization, select the corresponding organization with the pending user role requests from the “Showing Users from” drop-down. (Figure 2)
- If the organization has pending user role requests, these roles will be highlighted at the top of the table in yellow with “Pending approval” text. (Figure 1 & 2)
- For each user role request, click “Approve Role” to accept a user’s request or “Disapprove Role” to reject a user’s request. (Figure 1 & 2)
- Approved role requests will appear in “My Users” table and the rejected role requests will be removed. (Figure 1 & 2)

Figure 1

Figure 2

How do I add or remove user roles?

- Select the **“Manage User Roles”** link for the corresponding user that you would like to add or remove user roles from within the “My Users” table. (Figure 3)
- Select the appropriate role(s) to assign or remove from the user. (Figure 4)
 - Caution:** Deselecting all roles for a user will remove the user from the organization. (Figure 4)
 - If another user has the GRFP Coordinating Official (CO) role, the system will display the current CO’s name. (Figure 4)
- Note:** There can only be one GRFP CO at an organization, and a CO cannot be removed from the organization unless the role is reassigned to another user.
- As of May 20, 2024, the Foreign Financial Disclosure Report (FFDR) Preparer role is also assigned by default to a user when a requested AOR role is approved by the Administrator. Uncheck Foreign Financial Disclosure Report (FFDR) Preparer if the user should not also have the FFDR Preparer role and/or you would prefer to assign the FFDR Preparer role to someone else within the organization. (Figure 4)
- Click **“Save.”** (Figure 4)
- If a user has not entered the required Principal Investigator degree information, work email, and work phone number for the specified organization, a “Pending Assignee Action” icon will be displayed next to their name and PI role on the user's View My Roles page and also on the Administrator’s View My Users page. (Figure 5) The user assigned this role must input and save the required information by clicking on the “Edit Your Contact Info” link located in the Active Roles table on the View My Roles page.

How do I remove a user from my organization?

- Select the **“Remove From My Users”** link located in the Action column for the user that you would like removed from your organization. (Figure 3) A user cannot be removed if they are the last or sole Administrator.
 - A user cannot be removed if they are the current GRFP Coordinating Official (CO). This CO role must be assigned to another user before removing the user.
 - Successfully removing the user will remove the user from the organization but not from NSF systems.
 - Removing a user from the organization does not in any way impact the user’s NSF account or that user’s ability to become affiliated with any other organization.
- Click **“Remove User.”** (Figure 6)

How can I more easily view users at my organization?

In addition to allowing the list of users with an approved role at an organization to be exported to a CSV file, you may use the following additional features to more easily view users at your organization on the “View My Users” page:

- By default, the “My Users” table will automatically show the first 25 users within your organization. Use the “Show 25” drop-down to update the number of users displayed. If you would like to see all users for your organization, select the “Show All” option from the drop-down. (Figure 17)
- The “Filter” icon can be used to filter by role(s). By default, the table will display all roles; however, you can modify the display using the corresponding checkboxes and clicking “Apply Filters” (Figure 18).
- The “Search within results” input field can also be used to further refine the search results by name, NSF ID, role or work contact info. (Figure 17)
- If you would like to sort by a specific column (e.g., Profile Last Review), click on the corresponding column. (Figure 17)

Migrate Your Existing NSF Account

To migrate your existing NSF account created in FastLane to NSF's Account Management System in Research.gov, you must verify your account's primary email address and phone number. If you created your NSF account before March 2018 and your email address is associated with more than one NSF account, you will be prompted to verify information. Depending on the information on file, you may be required to contact the NSF IT Service Desk for assistance.

How will the system prompt me to verify my information so that my account can be migrated?

- Open [Research.gov](https://research.gov)
- Click **"Sign In"** located at the top right of the screen. (Figure 1)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you've successfully signed in using your preferred security method, you will receive a Verify Your Information pop-up message. After you have read it, click **"Next."** (Figure 3)
- Select an email address, enter your 10-digit phone number and click **"Next."** (Figure 4)
- Note the information that has been saved as your account's primary email address and phone number. (Figure 5)
- Click **"Add a New Role"** and you will be directed to the Add a New Role page. (Figure 5)
- To add an organization-approved role from a new organization or to add the Proposed Postdoctoral Fellow role, see [Add a New Organizational Role](#).

Figure 1

Figure 2

Figure 3

Note:

- Upon completing the verification process, you will see a green success message at the top of the screen. To update your Contact and Academic/Professional Information, click the **My Profile** link in the success message. (Figure 5)

Verify Your Information

Please verify your primary email address and phone number. After this one time verification process, you will be able to make future updates to this account information in My Profile.

Figure 5

What happens when the system prompts me to verify my information but tells me I have multiple accounts that need to be reconciled?

- You will receive a Verify Your Information pop-up message. After you read it, click **"Next."** (Figure 3)
- The "Multiple Accounts Found" pop-up informs you that your email address(es) is associated with more than one NSF ID. (Figure 6)
- Click **"Go To Research.gov Home Page."** (Figure 6)
- Important Note:** Please be aware that the system will allow you to access Research.gov functionality for a grace period of 30 days while you work with the NSF IT Service Desk to reconcile your accounts.

Figure 6

What do I do if my grace period has expired?

- You will receive a Verify Your Information pop-up message. After you read it, click **"Next."** (Figure 3)
- The "Multiple Accounts Found" pop-up informs you that an update to your account is required in order to restore service. (Figure 7)
- This pop-up will appear each time you sign in until you contact the NSF IT Service Desk to reinstate your access to NSF systems. (Figure 7)
- Click **"Close."** (Figure 7)

Figure 7

What do I do if the system is telling me that my email address is not in the correct format?

- You will receive a Verify Your Information pop-up message. After you read it, click **"Next."** (Figure 3)
- Notice the "Account Verification Failure" pop-up informing you that your email address(es) is in an invalid format. (Figure 8)
- You must contact the NSF IT Service Desk to address this issue. (Figure 8)
- Click **"Close."** (Figure 8)

Figure 8

Helpful Tip

For instructions on how to make changes to your account profile information after your existing NSF account has been migrated to the Account Management System in Research.gov, please refer to the [View and Edit My NSF Account Profile Information](#) job aid.

Reviewer Job Aids

Volunteer to Review

NSF requires all reviewers and participants in panels, site visits, advisory committees, subcommittees, and committees of visitors to have an NSF account in Research.gov and complete a one-time registration process to provide their reviewer profile information. Researchers can now join NSF's reviewer pool without being invited by NSF program staff to join a proposal review panel or complete an *ad hoc* proposal review. To do this, researchers complete the new Volunteer to Review process in Research.gov to provide their reviewer profile including identifying areas of expertise. See the Reviewing for NSF page and the Volunteer to Review guide for more information.

Access Research.gov

- If you do not already have an NSF account in Research.gov, please refer to the [Register for a New NSF Account](#) job aid and [Register for a New NSF Account](#) video tutorial for steps to register for an account.
- Once you have an NSF account, open [Research.gov](#).
- Click "Sign In" located at the top right of the screen. (Figure 1)
- Click "**Continue to Research.gov Sign In Options**", enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*

Figure 1

Figure 2

Volunteer to Review

- Once you've successfully signed in using your preferred security method, you will see a "**Reviews & Meetings**" tile on the Research.gov homepage. (Figure 3)
- You can also find the Volunteer to Review link under the "**Reviews & Meetings**" drop-down tab in the top navigation menu (Figure 4)
- Click the "**Volunteer to Review**" link to begin the one-time process to volunteer to review.
- After you complete this one-time process, the Volunteer to Review link will no longer display when you sign into Research.gov.

Figure 3

Benefits of Reviewing Proposals for NSF

- Click on the "Reviewing for National Science Foundation" link on the "**Reviews & Meetings**" tile on the Research.gov homepage to learn about the benefits of being a reviewer. (Figure 3)
- You can also find the Reviewing for the National Science Foundation link under the "**Reviews & Meetings**" drop-down tab in the top navigation menu. (Figure 4)

Figure 4

Reviewing for the National Science Foundation Page

- The new Reviewing for the National Science Foundation page highlights the benefits and opportunities of becoming a reviewer for NSF and participating in activities such as panels, meetings, and *ad hoc* reviews.
- Click on the orange “**Volunteer Now**” box or the “**Volunteer to review**” link in the Qualify to Become a Reviewer section to start the process to join NSF’s reviewer pool. (Figure 5)

Figure 5

- **Important Note:** If you have completed your Reviewer Profile and are already in NSF’s reviewer pool, clicking the “**Volunteer Now**” or “**Volunteer to Review**” links will generate a message to confirm that you that you have already completed your Reviewer Profile. (Figure 6)

Figure 6

Previous Reviewer Status

- If you have received a review request from NSF program staff in the past to review, your reviewer information may already be in the NSF Reviewer system.
- Click **Yes** or **I'm not sure** to “Have you ever received a request to review for NSF.” You will be prompted to answer additional questions to verify your reviewer identity. (Figure 7)
- If you have not previously received a request to review for NSF, click **No** and click **Submit** to be navigated to [Provide Reviewer Profile Information](#).

Volunteer to Review

Use this Volunteer to Review process if either of the following apply:

- You have never reviewed for NSF and would like to be considered for future review activities
- You have reviewed for NSF in the past but have not yet established a reviewer profile in Research.gov

Do not use this process if you have received specific instructions from NSF to provide your reviewer profile information for an upcoming ad hoc review, panel, or meeting. In that case, you must use the [Provide Reviewer Profile Information](#) process instead.

To volunteer to review, you will be required to set up a reviewer profile in Research.gov. You will not be able to participate until you have completed this one-time process. You may also need to provide additional information such as organizations and demographics.

To learn more about the volunteer process, visit [Reviewing for the National Science Foundation](#).

Please indicate whether you have previously reviewed for NSF.

*** Required**

Previous Reviewer Status

*** Have you ever received a request to review for NSF?** Review activities include ad hoc reviews, panels, and meetings.

☐ Yes, I have received a request to review for NSF before

☐ No, I have not received a request to review for NSF before

☐ I'm not sure if I have received a request to review for NSF before

Figure 7

Reviewer Identification

- Clicking **Yes** or **I'm not sure** will display your stored Research.gov profile information including your first name, last name, any alternate names, and your email address(es). (Figure 8)

Reviewer Identification

Your Research.gov profile includes the following name and email address information.

First Name
Anne

Last Name
Short Gianotti

Alternate Name(s)
None Provided

Email Address(es)
agshort@bu.edu

Figure 8

Adding Additional Last Name(s) and & Email Address(es)

- Click “**Yes**” to add any additional last names or email addresses that you may have been used for past NSF review activities. (Figure 9)
- Click on “**Add Additional Last Name**” or “**Add Additional Email Address(es)**” to provide other last names or email addresses used for past NSF review activities.
- Click the delete icon to remove the additional rows or entries as necessary.
- Click “**Verify**.”
- If you do not have any additional last names or email addresses, click **No** and click “**Verify**.”

*** Have you used any other last name(s) or email addresses in past NSF review activities?**
Last names and email addresses should be different from what is displayed above.

☒ Yes
☐ No

*** Please provide these other last name(s), and/or email address(es), below.**
You should still have access to your email address(es). When you are finished, press 'Verify'.

Last Name(s)

1.

2.

Email Address(es) Please make sure you still have access to this email address.

2.

Figure 9

Verify Your Email Address

- You may be prompted to verify your email address after clicking the “**Verify**” button.
- Enter the one-time password provided in an email to you from NSF (noreplyadmin@nsf.gov) with the subject “NSF Email Verification - Your One-Time Password.” If you cannot locate the email, click the “generate a new one” link on the screen or contact the NSF IT Service Desk at 1-800-381-1532 for assistance. (Figure 10)
- Click “**Continue**.”

Figure 10

Additional Authentication

- If you have previously reviewed for NSF and provided your phone number or Social Security Number (SSN) during registration, you will be asked to provide this information in the Additional Authentication section to verify your identity.
- Select the correct phone number from the listed options.
- Input the last 4 digits of your SSN or select “I don’t have an SSN.”
- For more information on why additional authentication is needed, please see “Privacy Act Statement” linked on the Additional Verification page. (Figure 12)
- Click “**Submit**.”
- Clicking the “**Submit**” button will navigate you to [Provide Reviewer Profile Information](#).

Figure 11

Figure 12

Provide Reviewer Profile Information

NSF requires all reviewers and participants in panels, site visits, advisory committees, subcommittees, and committees of visitors to have an NSF account in Research.gov and complete a one-time registration process to provide their reviewer profile information. Until this is completed, reviewers cannot open the Reviews, Panels, and Other Meetings page in order to access proposals for *ad hoc* reviews, panelist, activities, meeting registration, and meeting sign-in.

Access Research.gov

- If you do not already have an NSF account in Research.gov, please refer to the [Register for a New NSF Account](#) job aid and [Register for a New NSF Account](#) video tutorial for steps to register for an account.
- Once you have an NSF account, open [Research.gov](#).
- Click “Sign In” located at the top right of the screen. (Figure 1)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method, including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*

Figure 1

Figure 2

Submit Invitation Code or Email Address

- Once you’ve successfully signed in using your preferred security method, you will see a “**Reviews & Meetings**” tile on the Research.gov homepage. (Figure 3)
- Click the “**Provide Reviewer Profile Information**” link to begin the one-time process to provide your reviewer profile information. Any information you previously provided to NSF will be pre-populated. (Figure 3) Note that after you complete the one-time process and sign back into Research.gov, the Provide Reviewer Profile Information link will no longer be displayed.
- Enter the invitation code provided in an email to you from NSF (noreply@nsf.gov) with the subject “Review for NSF - Action Needed.” If you cannot locate the email, please contact the NSF IT Service Desk at 1-800-381-1532 to have it re-sent. Alternatively, enter the email address where you received the notification from NSF for the review or meeting. (Figure 4)
- Click “**Submit.**”
- Important Note:** You will only receive an email with instructions to provide reviewer profile information if you are invited by an NSF program staff to review a proposal or participate in a panel, site visit, advisory committee, subcommittee, or committee of visitors meeting. If you believe you should have received an email with an invitation code or for additional assistance, contact the NSF IT Service Desk at 1-800-381-1532 or rgov@nsf.gov.

Figure 3

Provide Reviewer Profile Information

Providing Reviewer Information is only for those users who have received notice from NSF through email to provide their information in Research.gov.

NSF now requires all reviewers and meeting participants to manage profile information in Research.gov. You will not be able to participate until you have completed this one-time process. You may need to provide additional information such as organizational affiliations and demographic information.

Invitation Code 10 characters, e.g., 123A5678BC
Provide your invitation code received via email

or

Email Address
Provide the email address where you received your request to review

Submit Submit

[Back to Research.gov Home](#)

Figure 4

Verify Your Email Address

- You may be prompted to verify your email address after submitting your invitation code by entering a one-time password that will be sent to your email address. (Figure 5)
- Enter the one-time password provided in an email to you from NSF (noreplyadmin@nsf.gov) with the subject “NSF Email Verification - Your One-Time Password.” If you cannot locate the email, click the “generate a new one” link on the screen or contact the NSF IT Service Desk at 1-800-381-1532 for assistance. (Figure 5)
- Click “Continue.”

Figure 5

Verify Your Social Security Number

- You may be prompted to verify the last 4 digits of your Social Security Number, if you have past service as an NSF reviewer or meeting participant and previously provided a Social Security Number. (Figure 6)
- Enter the last 4 digits of your Social Security Number. (Figure 6)
- Click “Continue.”

Note: If you click the “I do not have an SSN” checkbox then “Continue”, a message will be displayed providing you with instructions on how to proceed. (Figure 6)

Figure 6

After entering your invitation code or email address, you will be navigated to a five-step wizard to enter reviewer profile information including organizational affiliations, demographic information, academic and professional references, and preferred contact information for reviewer/meeting activities. All information can be updated at any time by accessing “My Profile” in Research.gov.

Step 1: Organizational Affiliation(s)

- Indicate if you have been affiliated with any organizations in the past 12 months. (Figure 7)
- If you select “No”, click “Next” to continue.
- If you select “Yes”, you will need to add your organizational affiliations.

Important Note: If you already have an organization-approved role (e.g., PI role) at NSF, then “Yes” will be automatically selected by default and the “No” option will be disabled. (Figure 10)

Figure 7

Adding Organization(s)

- When **"Yes"** is selected, a field will appear for you to add your organizational affiliation(s). (Figure 8)
- Search for your organization by typing the name of the organization in the field. If the organization is registered in [SAM.gov](https://sam.gov), then it will appear in the list along with the organization's SAM.gov-issued Unique Entity ID (UEI) and address. Select the organization from the list. (Figure 8)
- If your organization is not in the system, you can add the organization by selecting the **"Other (Please specify)"** option. (Figure 9)
- If you have been affiliated with more than one organization in the past 12 months, click **"Add Additional Organization"** and repeat the process to add the other organizational affiliations. (Figure 9)
- If necessary, you can delete an organization you entered using the trash can icon. (Figure 9)
- Click **"Next"** to continue.

* In the past 12 months, have you been affiliated with an organization?

☐ No. I have not been affiliated with an organization in the past 12 months

☒ Yes. I am currently affiliated or have been affiliated with an organization in the past 12 months

Search for an organization below by name. Matching results will be returned along with the organization's [SAM.gov](https://sam.gov) unique entity ID (UEI). If your organization is not listed, you may add your own by selecting "Other (Please specify)."

* Organization(s) Search by Name

☐ I have not been affiliated with this organization in the past 12 months

Figure 10

Helpful Tips

- If you have questions about organizational affiliations, click the "What is an organizational affiliation?" link for clarification.
- Unique Entity Identifiers (UEI) are issued by the System for Award Management (SAM). Please refer to [SAM.gov](https://sam.gov). Note that completion of the SAM registration process may take up to one month.

Step 2: Affiliation Details

- If your organization is registered in [SAM.gov](https://sam.gov), the organization address will be pre-populated. Enter your Department/Office/Subunit. (Figure 11)
- If your organization is not registered in [SAM.gov](https://sam.gov), you must enter the required address fields denoted by a red asterisk (*), along with your Department/Office/Subunit. (Figure 12)
- If you are currently affiliated or have been affiliated with more than one organization in the past 12 months, you must select a primary organization from the list. If you have an organization-approved PI role, this selection will not affect any NSF proposal preparation or submission activities in Research.gov or Grants.gov. (Figure 13)
- Click “Next.”

Figure 11

Figure 12

Figure 13

Step 3: Demographic Information

- Complete the required fields denoted by a red asterisk (*). (Figure 14)
- If you have previously provided your demographic information, this information will be pre-populated. Review your responses and make any necessary updates.
- Click “Next.”
- **Important Note:** Your demographic information will not be shared with your organizational contacts.

Figure 14

Step 4: Additional Information

- Complete the required fields denoted by a red asterisk (*). (Figures 15 and 16)
- If you have previously provided your highest degree, areas of expertise, or professional references, this information will be pre-populated. Review your responses and make any necessary updates.
- Click “Next.”

Helpful Tips

- Preferred Email Address for Review/Meeting Activities is the email address NSF will use for review activities related to panels, site visits, advisory committees, subcommittees, and committees of visitors only. Adding this preferred email address will not affect your primary, secondary, or organizational email address information in the Account Management System.
- Preferred Phone Number for Review/Meeting Activities may be used during an active panel, site visit, advisory committee, subcommittee, or committee of visitors meeting for NSF staff to contact you if you are unreachable via email. This is not for texting purposes and will not affect your other contact information in the Account Management System.
- You must provide at least one area of expertise but may not provide more than five.

View and Edit My NSF Reviewer Account Profile Information

Once you have an NSF account and completed the one-time process to provide your reviewer profile information, you can view and edit your account profile information at any time via the View/Edit My Profile page. Follow the step-by-step instructions below to update your account information including contact information, demographic information, and professional information.

On an annual basis, all users with an NSF account will be prompted to review their account profile information to ensure their information is up-to-date.

Step 1: Access the View/Edit My Profile page

- Open [Research.gov](https://research.gov)
- Click “**Sign In**” located at the top right of the screen. (Figure 1)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 2). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you’ve successfully signed in using your preferred security method, click “**My Profile**” from the top right of the screen. (Figure 3)

Important Note: You can also access the View/Edit My Profile page by clicking on “View/Edit Profile” located on the left navigation bar. (Figure 4)

Figure 1

Figure 2

Figure 3

Figure 4

Step 2: Edit your Contact Information

- Click “**Edit**” at the bottom of the **Contact Information** tab on the **My Profile** page. (Figure 5)
- Enter your updated contact information and click “**Save.**” (Figure 6)

Important Notes:

- If you change your primary email address (i.e., the email address used to create your NSF account) and/or secondary email address, NSF will send you a verification email. You must verify the updated email address within four (4) hours, or your account email address will revert back to your last verified email address.***
- If your primary email address domain suffix is “edu”, an important message and checkbox will display. Check the box to confirm ongoing access to an email account is required for communications and account recovery. By providing a “.edu” email address, you may lose access to this account and should provide a personal email address as your secondary email to ensure ongoing access. (Figure 6)***

Figure 13

When updating my primary and/or secondary email, what do I do if I accidentally delete the verification email sent by NSF?

- Select the “**View/Edit My Profile**” option. (Refer to Step 1 in the [View and Edit My NSF Reviewer Account Profile Information](#) job aid)
- Within the **Email Verification Message** (Figure 14) located at the top of the **Contact Information** tab on the **My Profile** page, click “**Resend verification link(s)**” (Figure 15).
- A new verification email will be sent to your pending primary and/or secondary email address (i.e., the updated email address entered in Step 2 in the [View and Edit My NSF Reviewer Account Profile Information](#) job aid).

Figure 14

⚠ One or more of your email addresses has not been verified. Please check your email(s) for a verification link. Any recently changed email address not verified within **four (4) hours** will revert to the previously saved email address.

Resend verification link(s)

Figure 15

Important Notes:

- **NSF will send you a verification email. You must verify the updated email address within four (4) hours, or your account email address will revert back to your last verified email address.**
- **If the four (4) hours have passed, the resend verification email option will not be available and you will need to restart the process by updating your email address again. (Refer to Step 2 in the [View and Edit My NSF Reviewer Account Profile Information](#) job aid)**

How do I change my password?

- Select the “**View/Edit My Profile**” option. (Refer to Step 1 in the [View and Edit My NSF Reviewer Account Profile Information](#) job aid)
- Click “**Change Password or Security Methods**” located in the left navigation bar. (Figure 14)
- A new tab will open allowing you to change your password or security method. *For more information on changing your password, visit the [About Signing Into Research.gov](#) page.*

View My Reviewer/Meeting Participant Information

The View My Roles page shows the organizational roles you have requested which are pending approval or disapproval from your organization's Administrator as well as your existing approved roles. Individuals who are reviewers will also see reviewer/meeting participant information including reviewer organizational affiliations displayed on this page. You may view and edit your organizational affiliations, preferred phone number, and email for review activities by following the step-by-step process below.

Access the View My Roles page

- Open [Research.gov](https://www.research.gov)
- Click **"Sign In"** located at the top right of the screen.
- Click **"Sign In Using NSF Credentials"**, enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you've successfully signed in using your preferred security method, click **"My Profile"** located at the top right of the screen.
- Click **"View My Roles"** from the left navigation bar.
- The **"View My Roles"** page displays the following information:
 - **Reviewer/Meeting Participant Information:** Displays all your organizational affiliation(s) that are active or have been active in the past 12 months if you are a reviewer. If you are not a reviewer, this section will not be displayed. (Figure 1)
 - **Requested Role(s):** Displays all organizational roles that you have requested that are pending approval from your organization's Administrator. (Figure 1)
 - **Active Role(s):** Displays all your approved organizational roles. (Figure 1)

View My Roles

If you are a reviewer or meeting participant affiliated with an organization, you can update your information in [My Profile](#). To remove an active role from an organization you are no longer affiliated with, contact the organization's administrator. To remove a Proposed Postdoctoral Fellow role, contact the NSF IT Service Desk at 1 (800) 381-1532 or rgov@nsf.gov.

Figure 1

How do I change organization contact information if I am a reviewer?

- Click **"Edit in My Profile"** in the Action column located on the right side of the Reviewer/Meeting Participant Information table. (Figure 1)
- You will be navigated to the **"Contact Information"** tab on My Profile where you can edit your preferred email address or phone number for review/meeting activities. You can update your organizational affiliation(s) on the **"Academic/Professional Information"** tab on My Profile. *Please see the [View and Edit My NSF Reviewer Account Profile Information](#) job aid for detailed instructions on accessing and updating My Profile.*

How do I change organization contact information if I am a PI, co-PI, or Proposed Postdoctoral Fellow or I have another organizational-approved role?

- Please see the following job aids for detailed instructions on viewing requested and active organizational roles and making updates:
 - [*View My Organizational Roles – Requested Roles*](#)
 - [*View My Organization Roles – Active Roles*](#)

Accessing the Reviews, Panels, and Other Meetings Page

Once you have an NSF account and completed the one-time process to provide your reviewer profile information and have been invited by NSF program staff to participate in review activities, you can access your assigned proposals, panels, or meetings via the Reviews, Panels, and Other Meetings page. Follow the step-by-step instructions below to access the assigned proposals, panels or meetings for your review.

Access the Reviews, Panels, and Other Meetings Page through Research.gov Homepage (Not Signed into Research.gov)

- Open [Research.gov](https://www.research.gov)
- Scroll down the page to "Reviews Panels & Other Meetings" (Figure 1)
- Click the **"Reviews, Panels, and Other Meetings"** link. You will be redirected to the Research.gov sign-in page. Upon successful sign-in to Research.gov, you will be re-directed to the "Reviews, Panels, and Other Meetings" page (Figure 2).

Reviews, Panels, and Other Meetings

Ad Hoc Reviews | Panels and Meetings

Assigned Ad Hoc reviews from the **past six months** that have not yet been submitted are listed below. For questions regarding an assigned review, contact the Program Officer (PO) listed.

Proposal Number	Proposal Title	Principal Investigator (PI)	Organization	Program Officer (PO)	Date Review Request Sent
2344732	TEST PROPOSAL: Public Access Post-Release Testing and Troubleshooting	Alphaman, Alan G.	National Science Foundation	Doe, Jane Jane.DoeTEST@test.com	07/12/2024

Figure 1

Access the Reviews, Panels, and Other Meetings Page through Research.gov Homepage (Signed into Research.gov)

- Open [Research.gov](https://www.research.gov)
- Click **"Sign In"** located at the top right of the screen. (Figure 3)
- Enter your credentials (e.g., NSF ID and password) and sign in using your selected security method (i.e., multifactor authentication method) (Figure 4). If you have not set up your preferred security method yet, you will be prompted to complete this activity to access your account. *For more information on setting up your preferred security method including how-to guides, video tutorials, and FAQs, visit the [About Signing Into Research.gov](#) page.*
- Once you've successfully signed in using your preferred security method, click the **"Reviews, Panels, and Other Meetings"** link on the "Reviews & Meetings" tile. (Figure 5)

System Use Notification
This is a National Science Foundation (NSF) Federal Government computer system. Any system activity may be monitored and any information stored within the system may be retrieved and used for law enforcement, management, or other purposes. By using this computer system, you are consenting to such monitoring and information retrieval and use.

Figure 4

Important Note: You can also access the **"Reviews, Panels, and Other Meetings"** page by clicking the **"Reviews, Panels, and Other Meetings"** link under **"Reviews and Meetings"** on the top navigation bar. (Figure 6)

Figure 6

Figure 5

Using the Reviews, Panels, and Other Meetings Page to Access Reviewer Assignments

Reviewers use the “Reviews, Panels, and Other Meetings” page to access *ad hoc* proposals assigned for review and to access panels and meetings they have been invited to participate in by NSF program staff. Refer to the [“Accessing the Reviews, Panels, and Other Meetings Page”](#) job aid for more information on how to access this page within Research.gov.

View Assigned Ad Hoc Reviews

- From the Reviews tab, click the proposal number in the **Proposal Number** column for the proposal you want to review. (Figure 1)
- The selected proposal assigned for review will display for the reviewer to complete review activities.

Important Note: The “Reviews” table will only populate and display active reviews from the past six months, if the reviewer has linked their account by using completed the one-time process to provide their reviewer profile information. See [View or Edit My NSF Reviewer Account Profile Information](#) to link your reviewer profile to your account in Research.gov.

Figure 1

View Assigned Panels and Meetings

- From the Panels and Meetings tab, click the meeting ID in the **Meeting ID** column for the panel or meeting you have been invited to participate in by NSF program staff. (Figure 2)
- The meeting details page will display meeting information, steps to complete for the meeting, and links to helpful resources.
- Important Note:*** *Panels and meetings will only display and be listed for one year following the meeting, if the reviewer has linked their account by using the one-time process to provide their reviewer profile information.*

Figure 6

Using the Meeting Details Page for a Panel or Meeting

View the Meetings Details Page

- After clicking the Meeting ID from the Panels and Meetings tab, a **Meeting Details** page will display according to the meeting type (panel, site visit, committee of visitors, advisory committee, and subcommittee). (Figure 1)
 - Each page type will include meeting details such as meeting name, meeting type, meeting date(s), program officer information, and meeting status (active, upcoming, or past).
 - Each page type will include a “Helpful Links” section and a “Steps for the Meeting” section containing links.

Important Note: Links under “Steps for the Meeting” are meeting type-specific and will display according to meeting type (panel, site visit, committee of visitors, advisory committee or subcommittee).

- Clicking the links for Travel and Reimbursement, Meeting Sign-In, and the Proposal Evaluation System (panels and sites visits only) will automatically navigate you to the appropriate page without having to enter additional credentials for access.***
- Committee of visitors (COV) meeting participants will still require an NSF program-provided password to access the COV functionality.***

Conflict-of-Interests and Confidentiality Statement for NSF Panelists

Includes members of proposal review panels; site visitors; and committee of visitors.

1. Your Conflicts of Interests.

Your designation as an NSF panelist, review panel member, site visitor, or committee of visitors member is considered a "special" Government employee appointment. Therefore, you must be aware of potential conflict situations that may arise. The attachment to this form lists the entities and individuals that pose a conflict of interest for you. If any of these individuals or entities come before you during your NSF work, immediately stop your NSF work and contact your NSF program officer. This official will determine how the matter should be handled and will tell you what further steps, if any, to take.

2. No Use of "Insider" Information.

It is likely you will have access to information not generally available to the public, therefore you must not use that information for your personal benefit or make it available for the personal benefit of any other individual or organization. This is to be distinguished from the entirely appropriate general benefit of learning more about the Foundation, learning from other panel members, or becoming better acquainted with the state of a given discipline.

3. Your Obligation to Maintain the Confidentiality of Proposals and Applicants.

The Foundation receives proposals in confidence and protects the confidentiality of their contents. For this reason, you must not copy, quote, or otherwise use or disclose to anyone, including your graduate students or post-doctoral or research associates, any material from any proposal you are asked to review.

4. Confidentiality of the Review Process and Reviewer Names.

NSF keeps reviews and your identity as a reviewer of specific proposals confidential to the maximum extent possible, except that we routinely send to principal investigators (PIs) reviews of their own proposals without your name, affiliation, or other identifying information. Please respect the confidentiality of all principal investigators and of other reviewers. Do not disclose their identities, the relative assessments or rankings of proposals by a peer review panel, or other details about the peer review of proposals.

Unauthorized disclosure of any confidential information could subject you to sanctions.

Your Certification

Your Potential Conflicts.

☐ I have read the list of affiliations and relationships in the attached [Ethics Law and Conflicts of Interest Summary for NSF Panelists, Site Visitors, and COV Members](#) that could prevent my participation in matters involving such individuals or institutions. To the best of my knowledge, I have no affiliation or relationship that would prevent me from performing my panel duties. I understand that I must stop my NSF work and immediately contact the NSF program officer if a conflict exists or arises during my service. I further understand that I must sign and return this Conflict Statement to the program officer before I may serve.

Maintaining the Confidentiality of Others.

I will not divulge or use any confidential information, described above, that I may become aware of during my service.

Your Identity as a Reviewer will be Kept Confidential (Does not apply to Committee of Visitors).

I understand my identity as a reviewer of specific proposals will be kept confidential to the maximum extent possible, except that copies of written reviews that I submit will be sent to the principal investigator(s) without my name and affiliation.

Conflict-of-Interests and Confidentiality Statement for NSF Panelists

Includes members of proposal review panels; site visitors; and committee of visitors.

1. Your Conflicts of Interests.

Your designation as an NSF panelist, review panel member, site visitor, or committee of visitors member is considered a "special" Government employee while performing your NSF duties. This is a summary of the major conflict of interest rules that apply to you as a special Government employee. Your careful adherence to these rules should foster public confidence that NSF review processes are not tainted by improper influences.

CONFLICTS OF INTEREST

If any of the institutions, other entities, or individuals listed below are listed on or involved in any way in a proposal, site visit, or other NSF matter on which you are working, IMMEDIATELY STOP YOUR NSF WORK AND CONTACT YOUR PROGRAM OFFICER. In some of these situations, a waiver may be possible, but only with the proper NSF ethics authorization.

Institution/Entities

- An institution or other entity where you are currently employed as a professor, adjunct professor, visiting professor, or similar compensated position, including employment as a consultant or advisor.
- An institution or other entity where your spouse, your minor child, someone living in your household, or business partner is currently employed as a professor, adjunct professor, visiting professor, or similar position, including employment as a consultant or advisor.
- An institution or other entity that is currently considering you, your spouse, your minor child, someone living in your household, or your business partner for employment.
- An entity in which you, your spouse, minor child, member of your household, or business partner owns securities.
- An institution or other entity where you were employed within the last 12 months, even if you no longer work there now.
