

Kumar Anirudha

PRODUCT DEVELOPER & TECH SPEAKER

I believe in the future of web and the vision of CyberSpace. I love problem solving and building products. Sleepless over user experience, scaling and proper use of resources.

WORK EXPERIENCE

Founding Engineer / Vibrant Labs (YC W24)

August 2025 - Present / Full-time, Remote

Core Maintainer of Ragas, a leading AI evals framework.

Core Contributor / Nidum.AI
